MEMORANDUM FOR: Mr. John M. Maury,  
CIA Legislative Counsel

SUBJECT : Forwarding the Attachments

Attachments : A) "Communism and Cambodia,"  
May 1972  
B) "Communism and Cambodia,"  
February 1972  
C) "The Khmer Communist Order  
of Battle," June 1971

1. Mr. Richard Moose of the Senate Foreign Relations Staff told me yesterday that he had asked you for a copy of a study I wrote some time back called "Communism and Cambodia." He said you had told him that you had been unable to locate it.

2. Luckily, I was able to find the study in the files of the Special Research Staff, where I work. Xerox copies of both the Secret and Code-word versions are attached. (Attachments A and B.)

3. The Foreign Relations Staff would also be interested in a draft study entitled the "Khmer Communist Order of Battle," (Attachment C) which helped form the basis for current strength estimates on the KC.
